What changed in v7: Module 4 is now a fully-filled-out 18-clause cohost management agreement. The worked example is the actual contract Sarah M. signed via DocuSign on October 14, 2026 — fully populated, signature block included, ready to be used as a template you adapt for your own clients.

Compare the worked example to the bracketed template below it. The only differences are: real names, real dates, real dollar amounts, real insurance policy numbers, and a real Buncombe County STR permit number. Everything else is the structure you copy.

The other 10 modules are unchanged from v6's Hands-On edition — every module still opens with WORKED EXAMPLE + TEMPLATE TO COPY.

1.2 The 3 fee models

1.3 Why owners hire cohosts

"Most people want the freedom Airbnb promises, but buying property is expensive, risky, and out of reach for many."

— cohostingacquisition.com

2.1 The roadmap

The 30-day plan: from signed contract to first paying client

Each milestone compounds: every action feeds the next week.

2.2 Day 1-3 — Positioning + contract + prospect list

Day 1: Write your 5-block positioning brief (use template above). Day 2: Draft your contract using Module 4's template. Day 3: Build your 30-name prospect list.

2.3 Day 4-7 — Write 5 outreach emails

Use the cold-pitch template in Module 8. Keep under 120 words.

2.4 Day 8-14 — Send first 30 pitches

- 5 cold pitches/day, weekdays only · track in spreadsheet · 7 days no reply → one follow-up · 14 days no reply → drop

Expected reply rate: 30-40% for cold pitch with a specific observation.

2.5 Day 15-21 — Discovery calls

Goal: 5-10 calls. Walk the audit (Module 3) on screen-share.

2.6 Day 22-30 — Close + onboard

YES: "Great. I will send the contract today via DocuSign..."

NOT YET: "Understood. I will follow up on [date + 14 days]..."

NO: "Got it. Thanks for the time. Wishing you well on the listing."

Ridgeview Lodge — Asheville, NC · 4BR cabin · Pre-call audit

Score: 28 out of 60 (below market median of 38)

Top 3 priorities in week 1:

1. Photos — currently 8, all phone-snaps. Target: 25+ professional shots, golden hour, varied angles. Owner can do this for \$400 with a local photographer.
2. Pricing — calendar shows 18 nights booked in next 30 days (60% occupancy), but the ADR is 30% below comp median. Coached owner on dynamic pricing tools.
3. House rules — current rules are 12 lines and include 'no loud music after 9pm' which is unenforceable. Trimmed to 6 lines, party-free, no smoking.

Outcome: Signed engagement at 25% + \$250 minimum. Within 30 days: 75% occupancy, ADR up 22%, owner had her first 5-star review in 8 months.

MODULE 03

The Call: Discovery Script + Audit

3.1 Why this call matters

The discovery call: qualify the owner (real? needs help? will pay?), deliver value (the audit), set the next step (proposal).

3.2 Before the call

- Spend 15 min on the listing. Score all 15 audit points. Pull 2-3 specific observations. Look up the owner's other listings.

3.3 The script — 20 minutes, three sections

Section 1 (0-5 min): THEIR situation. Three questions: how long hosting? what's working? what's the one thing you wish was different?

Section 2 (5-15 min): "Let me show you what I see. We score listings on 15 dimensions. I'll go through each."

Section 3 (15-20 min): "I'll write this up as a one-page audit PDF — free, no obligation. I'll send it within 48 hours."

3.4 Objection handlers

- "I can manage myself" — "Most owners can. The question is whether your time is better spent on the listing or whatever you were doing before."
- "How much do you charge?" — "It depends on the listing. I'll include a one-page proposal with the audit."
- "I'll think about it" — "The audit and the proposal are yours either way."

CONTRACT TITLE & PARTIES

COHOST MANAGEMENT AGREEMENT

This Cohost Management Agreement (“Agreement”) is entered into on **October 14, 2026** between:

OWNER: Sarah Martinez, of 411 Oak Ridge Ln, Charlotte, NC 28209 (“Owner”)

COHOST: Snow Studio LLC, a North Carolina limited liability company, of 14 Lexington Ave, Asheville, NC 28801 (“Cohost”)

1. PROPERTY.

The property subject to this Agreement is located at **847 Blue Ridge Pkwy, Black Mountain, NC 28711** (the “Property”).

The Property is a 3-bedroom, 2-bathroom single-family cabin with hot tub and mountain view, listed on Airbnb as “The Blue Cabin — Hot Tub + Mountain Views.” The Property is owned solely by Owner; no co-owners, lienholders, or other parties have an interest in the Property that would affect this Agreement.

2. TERM.

This Agreement begins on **November 1, 2026** (“Effective Date”) and continues for an initial term of **six (6) months** (the “Initial Term”), expiring on **April 30, 2027**. The Agreement shall automatically renew for successive **six (6) month** periods (each a “Renewal Term”) unless either party provides written notice of non-renewal at least **thirty (30) days** before the end of the then-current term. Notwithstanding the foregoing, the Initial Term shall not begin until Owner has signed and returned this Agreement and paid any required deposits.

3. SCOPE OF SERVICES.

Cohost shall provide the following services for the Property: (a) listing creation, optimization, and ongoing management on Airbnb, VRBO, Booking.com, and any other short-term rental platforms mutually agreed upon; (b) guest communications, including responding to inquiries within **twenty-four (24) hours** and sending automated check-in instructions **forty-eight (48) hours** before guest arrival; (c) dynamic pricing adjustments based on demand, seasonality, day of week, and local events, using a documented comp set methodology; (d) cleaning coordination between guest stays, including engagement and oversight of a third-party cleaning vendor; (e) routine maintenance triage up to **\$250** per repair, with Owner’s prior written approval required above that amount (or in emergencies, with notification within 24 hours); (f) monthly financial reporting to Owner by the 5th day of each month; (g) a quarterly business review call with Owner, approximately 30 minutes in length; (h) pre-approval screening of all guest bookings prior to acceptance.

4. OWNER OBLIGATIONS.

Owner shall: (a) maintain the Property in safe and habitable condition at all times; (b) maintain homeowner’s insurance and short-term rental liability coverage of at least **\$1,000,000** per occurrence, with Snow Studio LLC named as an additional insured; (c) maintain all required short-term rental permits and licenses, including the Buncombe County STR permit currently numbered **STR-2024-0847**; (d) provide Cohost with current keys, access codes, and vendor contacts within seven (7) days of the Effective Date; (e) approve any single expense exceeding **\$250** in writing before Cohost incurs it; (f) remit Net Payout deposits to Cohost’s management account within the timeframe specified in Section 6; (g) promptly notify Cohost of any change in Property ownership, financing, or insurance.

5. COHOST FEE.

Owner shall pay Cohost a fee equal to **twenty-five percent (25%)** of the gross booking subtotal per confirmed reservation (the “Cohost Fee”). The Cohost Fee is calculated **before** platform fees (Airbnb host service fee, etc.) and **before** cleaning fees are deducted. By way of example: for a reservation with a \$1,000 booking subtotal and a \$100 cleaning

fee, the Cohost Fee would be $25\% \times \$1,000 = \text{\$250}$ (cleaning fees do not contribute to the Cohost Fee).

Minimum Monthly Fee: In any calendar month where the Cohost Fee, calculated as set forth above, is below **two hundred fifty dollars (\$250)**, Owner shall pay a minimum monthly fee of **\$250** (the “Minimum Monthly Fee”). The Minimum Monthly Fee compensates Cohost for baseline availability, response infrastructure, and ongoing client communication regardless of booking volume.

6. PAYMENT TERMS.

Cohost shall remit Owner's net payout (the "Net Payout") by the **fifth (5th) day of each calendar month**, covering all revenue received and expenses paid in the prior calendar month. Net Payout shall be delivered via ACH transfer to Owner's designated bank account, currently on file at Wells Fargo, account ending in ****4821. Owner authorizes Cohost to deduct from gross revenue, in the following order: (i) platform fees; (ii) cleaning fees; (iii) pass-through expenses; (iv) the Cohost Fee; (v) any amounts owed by Owner to Cohost. Any undisputed balance unpaid more than fifteen (15) days past due shall accrue interest at **one and one-half percent (1.5%) per month**, or the maximum amount permitted by law, whichever is lower.

7. EXPENSES.

Cleaning fees, supply restocking, vendor payments, and platform fees are pass-through expenses deducted from gross revenue before Owner payout (the "Pass-Through Expenses"). Cohost shall not absorb any Pass-Through Expenses from the Cohost Fee unless explicitly agreed in writing. Pass-Through Expenses are itemized in the Monthly Statement. Current cleaning vendor: **Blue Ridge Cleaning Co.** (Maria Vasquez, lead), at **\$85 per turnover**. Cohost may change vendors with thirty (30) days' written notice to Owner; if Owner objects, the parties shall resolve per Section 17 (Termination).

8. TAXES.

Owner is solely responsible for all federal, state, and local income taxes on rental income generated by the Property. Owner is responsible for collecting and remitting any required North Carolina sales tax, Buncombe County occupancy tax (currently 6%), and any other lodging or transient occupancy taxes applicable to short-term rentals in the jurisdiction. Cohost shall provide a monthly statement sufficient for Owner's tax filing. Cohost's fees are not subject to sales tax in the State of North Carolina; this determination is based on Owner's representation that the Property is held for investment purposes and not as Owner's primary residence.

9. BOOKING AUTHORITY.

Cohost is authorized to accept or decline guest bookings at Cohost's reasonable discretion, consistent with Owner's house rules (to be provided per Section 10). Cohost shall maintain a written guest screening process, currently comprising a four-question pre-approval covering guest composition, trip purpose, group context, and acknowledgment of house rules. Cohost shall decline any booking that, in Cohost's sole judgment, presents elevated risk (party risk, prior host complaints, or booking-pattern irregularities). Owner may override Cohost's decline decision only with Cohost's written consent.

10. HOUSE RULES.

Owner shall provide Cohost with House Rules for the Property within seven (7) days of the Effective Date. Owner shall not modify House Rules without **seven (7) days'** written notice to Cohost. Initial House Rules (provided by Owner on October 14, 2026 and incorporated by reference): no parties or events; no smoking anywhere on Property; no pets; max six (6) guests; quiet hours 10pm–8am; no commercial photography without prior written approval; trash bins must be placed at curb Sunday evenings for Monday pickup.

11. MAINTENANCE.

Cohost shall coordinate routine maintenance. Repairs exceeding **\$250** require Owner's prior written approval, except in the case of emergency affecting guest safety or property integrity, in which case Cohost may act without prior approval and shall notify Owner within **twenty-four (24) hours**. Owner is responsible for all capital expenditures (defined as repairs or replacements exceeding **\$1,000** in aggregate over any rolling 30-day period). Owner shall maintain a capital reserve of not less than **\$500** in Cohost's management account for emergency use; Cohost shall provide accounting of capital reserve in the Monthly Statement.

12. CLEANING.

Cohost shall engage cleaning services for turnover between guests. Cleaning fees charged to guests are pass-through and are not part of the Cohost Fee calculation. Current per-turnover cleaning fee to guests: **\$120**. Current per-turnover cost paid to cleaning vendor: **\$85**. Cleaning fee structure may be adjusted quarterly based on vendor costs and guest feedback. Photo verification of each turnover shall be provided to Owner within twenty-four (24) hours of each turnover.

13. OWNER ACCESS.

Owner may use the Property for personal use up to **fourteen (14) nights** per calendar year, subject to availability and existing bookings. Owner shall provide Cohost with at least **fourteen (14) days'** written notice for personal-use reservations, except in the case of bona fide emergency. Owner personal-use nights do not generate Cohost Fee revenue. Cleaning fees for Owner personal-use stays shall be charged at the standard per-turnover rate and deducted from Owner's Net Payout.

14. REPRESENTATIONS.

Owner represents and warrants that: (a) Owner has full legal authority to enter into this Agreement and to rent the Property on a short-term basis; (b) the Property complies with all applicable zoning, permit, licensing, HOA, and short-term rental regulatory requirements; (c) the Property is not subject to any pending litigation, tax lien, or foreclosure proceeding; (d) Owner has the right to grant Cohost the authority described in Section 9 (Booking Authority); (e) all information provided to Cohost regarding the Property is accurate and complete to the best of Owner's knowledge.

15. INDEMNIFICATION.

Owner shall indemnify, defend, and hold harmless Cohost and its officers, employees, and contractors from and against any and all claims, damages, losses, liabilities, costs, and expenses (including reasonable attorneys' fees) arising out of or relating to: (a) the physical condition of the Property; (b) Owner's failure to maintain insurance, permits, or licenses as required by this Agreement; (c) any act, omission, or breach of this Agreement by Owner; (d) any third-party claim arising from Owner's ownership of the Property.

16. INSURANCE.

Owner shall maintain, at Owner's sole expense, throughout the term of this Agreement: (a) homeowner's insurance covering the Property; (b) short-term rental liability coverage of at least **\$1,000,000** per occurrence (currently insured through Proper Insurance, policy number **PI-2026-58421**, expiration **March 15, 2027**); (c) commercial general liability insurance if Owner owns three or more rental properties. Owner shall provide Cohost with a certificate of insurance evidencing the foregoing coverage within fourteen (14) days of the Effective Date and within fourteen (14) days of each policy renewal thereafter. Cohost shall maintain, at Cohost's expense, general liability and professional liability insurance of at least \$1,000,000; certificate provided to Owner on October 14, 2026.

17. TERMINATION.

For Cause. Either party may terminate this Agreement for cause with **thirty (30) days'** written notice. "Cause" includes: (a) breach of any material term not cured within fourteen (14) days of written notice; (b) bankruptcy or insolvency of either party; (c) loss of Owner's legal authority to rent the Property (revoked permit, foreclosure, sale); (d) Cohost's gross negligence or willful misconduct in the provision of services; (e) Owner's failure to remit Net Payout deposits for more than sixty (60) days.

Without Cause. Either party may terminate this Agreement without cause with **sixty (60) days'** written notice.

Effect of Termination. Upon termination: (i) Cohost shall deliver to Owner all Property records, guest data, and account credentials within seven (7) days; (ii) Cohost shall remit final Net Payout, less any amounts owed, within thirty (30) days; (iii) any bookings confirmed prior to termination shall be honored, with Cohost entitled to the Cohost Fee thereon; (iv) Owner shall continue to be responsible for any platform fees or refunds owed to guests.

18. ENTIRE AGREEMENT.

This Agreement constitutes the entire agreement between the parties with respect to its subject matter and supersedes all prior or contemporaneous agreements, representations, and understandings. This Agreement may be amended only in a writing signed by both parties. If any provision of this Agreement is held invalid or unenforceable, the remaining provisions shall continue in full force and effect. This Agreement shall be governed by and construed in accordance with the laws of the State of North Carolina. Any dispute arising under this Agreement shall be resolved by binding arbitration in Asheville, NC under the Commercial Arbitration Rules of the American Arbitration Association. Notices required under this Agreement shall be in writing and delivered by email (with confirmation of receipt) to the addresses set forth below or such other address as a party may designate.

The clauses that protect both sides — explained.

4.1 Why every clause matters

- **Clause 5 (fee structure):** Without a clear percentage + minimum, owners will dispute every line on the statement. The clause eliminates ambiguity.
- **Clause 11 (maintenance):** Without the \$250 threshold + 24-hour notification rule, owners assume you will fix everything without asking.
- **Clause 12 (cleaning):** Without documenting per-turnover rates and pass-through structure, the cleaning line item becomes a point of dispute every month.
- **Clause 15 (indemnification):** Without it, a guest injury at the property becomes your liability.
- **Clause 16 (insurance):** Without the \$1M coverage requirement + naming Cohost as additional insured, a single incident could close your business.
- **Clause 17 (termination):** Without clear exit paths, you're stuck with an owner you can't exit — or vice versa.

4.2 Clauses that new cohosts forget

These are the clauses that get skipped in the early contracts and then become problems later. Don't skip them.

- **Clause 4 (Owner Obligations) — capital reserve:** The worked contract specifies a \$500 capital reserve. Without it, an emergency repair in week 2 has no funding source.
- **Clause 7 (Expenses) — vendor change notice:** Without 30-day notice + objection path, the owner can't challenge a vendor swap. Worked contract includes this.
- **Clause 9 (Booking Authority) — Cohost sole judgment for declines:** Without this, an owner can pressure you to accept a risky booking. Worked contract grants Cohost sole judgment.
- **Clause 13 (Owner Access) — personal-use limit:** Without a 14-night cap, owners can block-book the property for personal use and starve you of inventory. Worked contract caps at 14 nights.
- **Clause 17 (Termination) — confirmed bookings survive:** Without this, an owner can terminate mid-month and strand you with guests you've already committed to. Worked contract preserves your fee on confirmed bookings.

4.3 The signature block

Always include full contact info in the signature block — email + phone. Why? Because the contract is the only place those are recorded. If a dispute arises six months in, the signature block is where you find the right contact for legal correspondence.

Sign in DocuSign or similar. Never sign a property management contract with a wet signature and a courier — too slow, too easy to lose.

4.4 Before you send

- Have an attorney in your state review the template before sending to a real owner.
- Verify the owner's name matches the property tax record — not the listing name.
- Confirm the owner's insurance policy number + coverage amount with a certificate of insurance.
- Set up the ACH bank account for Net Payout deposit before the contract is signed.
- Keep a fully-executed PDF in your property folder. The owner has theirs; you have yours.
